To All Horsemen:

Rocky Mountain Turf Club is considering opening a Training Centre for the Spring of 2011 at Whoop Up Downs.

We realize there is a shortage of places to train and RMTc is prepared to open our facilities to help accommodate training, so the horses can be broke, fit, and ready to support the race meets.

Stall cost will be \$8.00 per day per horse. It is essential that you advise race management of the number of horses you require stabling for. Please call Dot at 403-380-1900 or email to racedot@rmtc.ca.

Training will begin approximately **March 27, 2011**. We will have 40 days of spring training prior to our Spring Meet starting **Saturday, May 7th, 2011** (weather permitting) with the same stall per horse start policy as in 2010.

We will be inquiring to see if there is any financial aid from Grande Prairie, the Horsemen's Associations, and Horse Racing Alberta to help subsidize the cost of the training. If financial assistance is available, we will lower the training cost per day appropriately.

RMTc is providing this service to help the horsemen get the horses ready for the Racing Season and we welcome you to take advantage of the Training Facilities.

If you have any questions or want to book stalls please contact me at the race office by fax (403)380-1909 or e-mail: racedot@rmtc.ca, contact Eric Crofoot, or contact your horsemen's group president, and they can email me the details.

Thank-you
Yours truly,

Dot Stein
Race/Simulcast Manager
